Kyokomachi Kimono Rental has many patterns of kimono and yukata ready so that visitors to Kyoto can freely stop in and put them on. There are many famous places close to the store in Higashiyama, such as Yasaka-jinja Shrine and Kodaiji Temple, and if you take Ninen-zaka and Sannen-zaka slopes you can reach Kiyomizu-dera Temple. Kyokomachi Kimono Rental is very close to the Kiyomizu-michi bus stop, so it is ideally located for those wishing to wander Kyoto in a kimono.
